TO ALL MEMBERS OF NATIONAL SAFETY COUNCIL–NORTH ZONE CHAPTER

Dear Sir,

**Sub: Specialised Course on 'Organising And Motivating for Safety at Chandigarh on 16 and 17 March, 2026.**

At the outset I on behalf of your North Zone Chapter and in my own behalf wish you all a very happy and safe new year. We are happy to inform you that the Chapter has arranged to conduct a Two day Specialised Course on 'Organising and Motivating for Safety at Chandigarh on 16 and 17 March, 2026.

The course is being conducted as part of our continued campaign to promote awareness amongst all industries in this region about issues concerning occupational safety and health.

'Organising And Motivating for Safety' has been designed to suit needs of all type of industries to improve safety and health standards in their factories by involving everyone. Important topics like behavioural aspects of Accident Prevention, Electrical Safety, Accident Investigation, Training and Development and above all Motivating employees to adopt a safe way of working. Many other sessions on other vital safety topics to make the course an all-relevant safety training.

The objective of this program is to equip middle level personnel with necessary inputs, so that after going back, they can make the work force more safety conscious and help prevent losses due to industrial accidents.

I would therefore, request you to avail this opportunity and nominate a good number of persons from your factory/organisation. I am confident that, as in the past, we shall get whole hearted support of our members to make this course a success.

**A brochure giving all relevant details is enclosed.**

I look forward to your support.

With kind regards.

Yours sincerely,

  
(Ashok Huria)

Hony. Secretary
